

KNAUF

Technical drawing showing a cross-section of a door threshold assembly. The drawing includes the following components and dimensions:

- Гипсовая плита КНАУФ** (Gypsum board Knauf)
- Шпаклевка** (Putty)
- Наличник** (Door stop)
- Деревянная прокладка** (Wooden insert)
- Гвоздь, шаг 350** (Nail, pitch 350)
- Скоба C2** (C2 bracket)
- Звукоизоляционный материал** (Sound insulation material)
- Дверной блок** (Door block)

Dimensions and measurements:

- 80 (Height of the gypsum board)
- 94 (Total height of the assembly)
- 3 (Thickness of the putty layer)
- 5 (Thickness of the sound insulation material)
- > 20 (Minimum gap between the door block and the threshold)
